Introduction

RomsJ Global Tech, in close collaboration with the Embassy of the Republic of Ghana in the People's Republic of China, proposes the organization of a High-Level China–Ghana Business Conference and Investment Exchange Program. This multi-provincial conference is designed to directly connect influential Chinese business leaders, investors, provincial authorities, and industrial players with their prospective Ghanaian partners, enterprises, and government stakeholders.

The program will focus on five strategic sectors vital to Ghana's accelerated growth agenda: Technology, Agriculture, General Trade, Manufacturing, and Infrastructure. Activities relating to each sector will take place in the Chinese provinces where those industries are most prominent, in order to provide participants with on-site learning, sector-specific exposure, and concrete investment exploration opportunities.

The conference will also highlight projects and partnerships that align with Ghana's 24-Hour Economy Policy and the "Big Push" Integrated Infrastructure and Road Construction Initiative, positioning Ghana as a competitive, ready, and attractive investment destination for both public and private sector stakeholders in China.

Please take a few minutes to read our proposal.
